Designed by motorcycle riders, for motorcycle riders, the Draggin jean is the most technologically advanced motorcycle jean in the world.

Draggin is at the forefront of protective fibre technology, offering riders the ultimate in comfort and protection with a revolutionary patented knitted hybrid of Military Grade Kevlar® & Dyneema® the world's strongest fibre™. Dyneema is 15 times stronger than steel and 40 times stronger than Kevlar.

Dyneema assists the body to remain cool, especially in the case of road abrasion and provides double the abrasion resistance than Kevlar alone.

The lining is proven to withstand and protect for a minimum of 4.4 seconds of road abrasion resistance and is the ONLY CE approved lining used in motorcycle jeans (CE test EN13595-1).

- ✓ Drag tested
- ✓ Non-allergenic and soft to touch
- ✓ Breathable for rider comfort
- ✓ Engineered for style & comfort
- ✓ Heavy duty reinforced seams
- ✓ High back for rider comfort
- ✓ Fits over riding boots.
